

23rd Annual Miata Day at the Larz Anderson Auto Museum July 9, 2023 10:00 – 2:00

Bring your stock or customized, daily driver or garage queen Miata to the largest **Miata/MX5 Only** event in the Northeast on the lawn of the beautiful [Larz Anderson Auto Museum](#) 15 Newton St in Brookline, MA on July 9 from 10:00 – 2:00

\$20.00 per car registration including driver and one passenger

Show off your Roadster to other Miata owners and to the general public. There will be classic Rock & Roll tunes played and plenty of time to check out the Best Selling Sports Car of all time.

The event is open to all Miata owners or anyone interested in the Miata / MX-5 – you do not need to be a Mass Miata Club member to attend or to display your Miata.

This is not a concours event, just the selection of Peoples Choice Miatas by attendees and the public. It's intended as a day to have fun, show off your Miata and visit with friends. Blankets, lawn chairs, umbrellas, and picnic baskets are welcome, and food will also be available for purchase. Visit the museum, view the Boston skyline, and pick your favorite Miata.
