About MMC events:

With the exception of the Annual Meeting in June which is required to maintain the club's non-profit status MMC events are originated, planned and executed by individual members. If you have an idea for an interesting Miata event, make your plan, notify MMC "Activities" who will publish your event on the MMC website. Interested members will sign up. Events are generally open to all members, but may be limited in various ways, available parking, seating, or housing limits come to mind. Events generally fall into three categories: Day Trips on weekends, Overnight Trips on weekends and Extended Trips, 3 days or more. Weekday trips are also possible given that more than a few of the members are retired. So if you know of an interesting drive, a great restaurant, museum, show, festival, park or u name it, don't be shy, those are the makings of an event. The audience for your event is easy, they are only looking for an excuse to go out to drive these great little cars.

I am interested in club management and would be willing to help as:

- Elected Officer (President, Vice-President, Secretary/Clerk or Treasurer)..... Signify ()
- Pit Crew (Activities, Merchandise, Membership, Website)..... Signify ()
- Upon request of the President..... Signify ()
